ABOUT

D.A.R.E.

DARE is the largest, most recognized anti-drug and violence program in the world.

Dare is taught by specially trained police officers. These officers go into the classroom once a week to teach a one-hour lesson on various topics. These topics include: learning the harmful effects of drugs, dealing with peer pressure, strategies in resisting drug offers, beating stress, self-esteem building, avoiding violence, and how to get involved in positive activities.

During the program, officers form friendships and create impressions that will last a lifetime.

DARE is a program that lets children get to know officers personally, in a positive manner, that helps discourage the false perceptions of police officers.

Upon completion of the DARE program, there is a graduation ceremony where the officer, Sheriff, Chief, Assistant Chief, get a chance to speak to the graduates and their families about continuing in a healthy lifestyle which the DARE message emphasizes.

Help us get the DARE message to thousands of St. Joseph County's children today and tomorrow!!!

The St. Joseph County Police Department program currently consists of Sergeant Cynthia Guest and Sergeant Tommy Teeter who teach DARE to every fifth grade student in the P-H-M school district as well as LaVille on an annual basis.

DARE stands for Drug Abuse Resistance Education. It is a ten-week program designed to educate young people on how to develop and maintain healthy lifestyles in their communities.

With your support, the DARE program will reach hundreds of students in St. Joseph County over the next several years. We will teach every child the importance of staying drug free and avoiding violence.

Your support is greatly appreciated. All money raised from this outing will be used to buy books and other supplies needed for teaching the DARE program. The St. Joseph County Police Department and the DARE students thank you!!!

PLEASE JOIN US FOR A DAY OF FUN ON SATURDAY, JUNE 5, 2021.

WE'RE LOOKING FORWARD TO SEEING YOU!
