## DARE Fundraiser

The St. Joseph County Police Department Dare Program is selling a hand sanitizer watch. The watch is only \$5.00. With COVID-19 on the rise, this watch will be a great way to have sanitizer with you. This would also make a great stocking stuffer. They can be purchased by contacting Sgt. Guest at 574-245-6263 or Sgt. Teeter at 574-258-9575. All proceeds go to the St. Joseph County Police Department DARE Program to support our local 5<sup>th</sup> grade students. For an instructional video, visit St. Joseph County Police Department on FaceBook.
