P-H-M's top priority is student safety, both physical and psychological safety.

P-H-M utilizes the **Safe School Helpline®** as a confidential way to report student concerns about fighting, bullying, cyber threats, suicide, drugs, look-alike or real weapons, or anything else that threatens the safety of our schools.

It is Available 24/7 via phone, text, online or download the new app:

**Safe School Helpline®**

**Call: 1-800-418-6423, ext. 359**

**Text: TIPS to 66746**

**Online: SafeSchoolHelpline.com**

**Download the new app: [www.phmschools.org/safe-school-helpline](http://www.phmschools.org/safe-school-helpline)**

We are committed to helping students reach their fullest potential and creating a psychologically safe environment.

Another way in which this is done is through a unified, systematic focus on Social-Emotional Learning (SEL).

By establishing SEL practices in our schools, we help students understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions. By having a focus on SEL and mental health, we hope to help our students reach their fullest potential in all aspects.

Visit [www.phmschools.org/SEL](http://www.phmschools.org/SEL) for more information on P-H-M's SEL practices and parent resources that can help you with your child.
