Spring into science 2017!

IMAGINEERING!

APRIL 3 – 7TH

9:00 – 3:00

\$220.00

ETHOS science center is excited to announce Imagineering 2017 -our spring break camp science experience for kids in grades K-6!

Adventures include:

- designing hurricane-proof structures,
- creating faster-than-lightning derby racers,
- accomplishing missions with robots,
- designing and testing deep-diving underwater R.O.V.'s (remotely operated underwater vehicles) in our 4000 gallon aquatics pool

There's something for everyone at Imagineering 2017! And the coolest activity of all? Campers will travel to Chicago for a visit to the Museum of Science and Industry on Friday of camp week!
