**New Troops are forming now in your area.**

**Cost: \$25.00 Annual Registration Fee**  
(Cash, check or credit/debit card accepted)

Girl Scouts have influenced generations of women including Taylor Swift, Mariah Carey, Lucille Ball, Dionne Warwick, Sandra Day O'Connor, Sally Ride, Venus Williams, Barbara Walters, and many more.

Being a Girl Scout is something you DO, and it is an EXPERIENCE that no girl or adult should miss!

1. Become a girl member of Girl Scouts – You can register a girl [online](#) or we can process her registration over the phone. As a registered member of Girl Scouts, girls will make memories of a lifetime and can participate in opportunities that are listed on our [website](#) such as camp or other events.

## **We Need You. Volunteers Make It Happen.**

As a troop leader or co-leader, you'll be trained to introduce girls to new experiences—and show them they're capable of more than they ever imagined. You'll be their cheerleader, guide, and mentor, helping them develop skills and confidence that will last a lifetime. Imagine the smiles, the excitement, the memories made-- those are the moments you'll share as a Girl Scout volunteer.

1. Become an adult member of Girl Scouts – To become a Girl Scout volunteer, you must first fill out the [online volunteer application](#) to be an approved volunteer and then become a registered member of the organization by completing an online [registration form](#) or register using a [paper form](#) and submit it to your local service center by submitting the form along with the \$15 membership dues.
