

Harris Branch  
Grades 9-12

Saturday, April 1

2:30 - 4:30 pm

During the first part of this makerspace, we will be making garters. It can be time-consuming and expensive to find the perfect garter, so why not make your own, unique and one of a kind garter!? After completion, the instructor will be available for help with creating DIY accessories or additions to your prom attire. These are no-sew or limited sewing projects (we'll teach you the sewing!).

Registration is required.
