2017 Summer Youth Activities

Penn Harris Madison Community Education

Super Kids Camps

Horizon Elementary June 19-23
Prairie Vista Elementary July 17-21
Bittersweet Elementary July 24-28

Super Kids Camps offer elementary age children an opportunity to explore and experience art, music, science, and physical fitness in a fun, relaxed atmosphere. Super Kids Camps are open to children who will be entering grades 1-6 in the fall 2017. Super Kids Camp is offered from 9:00 a.m. to 12:00 p.m., Monday through Friday. Campers enjoy all four camp activities daily as they rotate from each activity with their friends every 45 minutes. The cost of Super Kids Camp is \$40 per child per camp.

Building Science and Design

Campers will utilize a variety of skills as they work together to design and build communities of the future. They will learn about different types of structures, how they work, and will use the information to build objects from K'Nex, cardboard boxes and other recycled materials. **Instructor:** Mr. Jeremy McCaskill, teaches at Horizon Elementary School

Creativity with Music

Every child loves music and this program will foster those innate musical talents. Campers will learn a variety of fun, silly songs that are traditional at summer camps throughout the country. Students will make their own musical instruments out of a variety of new and recycled objects for a Grand Finale parade the last day. **Instructors:** Mrs. Julia Rulli, teaches at Horizon Elementary School; and Mr. Dennis Addison, teaches at Moran Elementary School

Artistic Expressions

The emphasis is on creativity and exploring the visual world with a variety of activities including drawing, painting, color, and design. Students will have a great time while participating in projects that provide a foundation in artistic expression.

Instructor: Mrs. Becky Brown, teaches at Penn High School and Amy Prince, teaches at Trinity Lutheran School

Fun with Fitness

A healthy focus on recreation and fitness round out the camp experience with numerous team games including soccer, bowling, and many throwing and dribbling activities. The emphasis is on non-competitive, active fun in large and small group settings. **Instructor:** Mrs. Kim Strowig, teaches at Bittersweet Elementary School

Summer Youth Theater Camp

Penn High School-Center for Performing Arts (CPA)
July 24-28, 9:00 a.m. to noon

This one-week, half-day camp is designed for students entering grades 5-8 who are interested in performance and stage work or those who just want to build self-confidence. Camp will be filled with fun activities including games, exercises, improvisations and scene work. The cost is \$80 per student and includes a camp t-shirt.

• Participate in creative games and exercises designed to build confidence and imagination.

- Create improvisational skits and games to help increase individual spontaneity.
- Work together in groups on small plays with the purpose of creating fun characters and stories.
- Enjoy a fun, creative, spontaneous atmosphere that builds confidence and nurtures stage skills.
- Learn the basics of utilizing space, movement, voice and imagination.

Camp Invention

Northpoint Elementary School
June 19-23, 9:00 a.m. to 3:30 p.m.

Camp Invention is an enrichment program for children entering grades K-6. It's an exciting, week long summer adventure in Science, Technology, Engineering and Innovation.

Children are presented with fun, hands-on challenges that encourage creative problem solving, teamwork and innovation as they rotate through modules that reinvent summer fun.

In the **Create** module, students create their own personal Spy Gadget Alarm Box by taking apart and upcycling everyday machines.

In the **Launch** module, students launch water rockets, build Bubble Blasters, and engineer giant castles.

In the **Explore** module, participants explore distant new exoplanets and design inventions to create the next Earth.

Finally, in the **Design** module, children create duct tape products and pitch them to mock investors.

Availability is limited, so register at www.campinvention.org or call 800.968.4332 to reserve your child's spot today!

Learn to Swim
