Youth Activities

Super Kids Camps

**Horizon
Elementary
June 17-21**

**Prairie Vista
Elementary
July 8-12**

**Bittersweet
Elementary
July 22-26**

Super Kids Camps offer elementary age children an opportunity to explore and experience art, music, science, and physical fitness in a fun, relaxed atmosphere. Super Kids Camps are open to children who will be entering grades 1-6 in the of Fall 2024. Super Kids Camp is offered from 9 a.m. to 12 p.m., Monday through Friday. Campers enjoy all four camp activities daily as they rotate from each activity with their friends every 45 minutes. **The cost is \$50 per child per camp. Class size is limited and will be filled on a first come, first served basis.**

Building Science and Design

Campers will utilize a variety of skills as they work together to design and build bridges. They will learn about different types of bridges, how they work and then use the information to build bridges from paper, craft sticks and K'Nexs. **Instructor:** Mrs. Maggie Gallagher, teacher at Northpoint Elementary School.

Creativity with Music

Every child loves music and this program will foster those innate musical talents. Campers will learn a variety of fun, silly songs that are traditional at summer camps throughout the country. Students will make their own musical instruments out of a variety of new and recycled objects.

Instructor: Mr. Jason Poff, teacher at Mary Frank Elementary School.

Artistic Expressions

The emphasis is on creativity and exploring the visual world with a variety of activities including drawing, painting, color, and design. Students will have a great time while participating in projects that provide a foundation in artistic expression. **Instructor:** Mrs. Jessica Marsh, teacher at Penn High School.

Fun with Fitness

A healthy focus on recreation and fitness round out the camp experience with numerous team games including soccer, and many throwing, dribbling activities. The emphasis is on non-competitive, active fun in large and small group settings. **Instructor:** Mr. Jim Meuninck, teacher at Bittersweet Elementary School.

Summer Youth Theater Camp

**Director-Ms. Deb Swerman
Penn High School-Studio Theater**

Session II: July 15-19

9 a.m. to 12 p.m.

Pick one or both of these one-week, half-day camps designed for students entering grades 5-8 in the Fall 2024, who are interested in performance and stage work or those who just want to build self-confidence. Each camp will be filled with fun activities including games, exercises, improvisations and scene work.

- Participate in creative games and exercises designed to build confidence and imagination.
- Create improvisational skits and games to help increase individual spontaneity.

- Work together in small groups on short plays with the purpose of creating fun characters and stories.
- Enjoy a fun, creative, spontaneous atmosphere that builds confidence and nurtures stage skills.
- Learn the basics of utilizing space, movement, voice and imagination.

Each camp is \$90 per student and includes a camp t-shirt.

Camp Invention

Mary Frank Elementary School

June 24-28 ■ 9 a.m. to 3:30 p.m.

Camp Invention is an enrichment program for children entering grades K-6 in the Fall of 2024. It's an exciting, week long summer adventure in Science, Technology, Engineering and Innovation.

Children are presented with fun, hands-on activities that encourage creative problem solving, teamwork and entrepreneurship and curiosity as they rotate through modules that reinvent summer fun.

In the Game module, campers team up as they investigate the science of sports ball design and personalize a game board.

In the Let's Glow module, campers build a Glow Box and discover different forms of light.

In the **Operation: Hydrodrop** module, campers engineer a tiny house with crops to explore water-based technology and sustainable design thinking.

In the **Prototyping Studio** module, campers get creative as they transform their ideas from sketches to working prototypes using everyday items.

The cost is approximately \$240 per child depending on when you register.

Availability is limited, so register at invent.org/camp or call 800.968.4332 to reserve your child's spot today!
