# ABOUT THE PROGRAM

**Camp Director: Alex Boyer**

The SBRC Junior Tennis Camp will consist of all things tennis. This includes learning technique, point play, situational drilling, court positioning, athletic skills, footwork and more!

Each day students will be divided up based upon skill level. Instructors will take students through technical drills, point play situations, and competitive match play for those at a higher level. Correct technique and position will be emphasized throughout.

The ultimate goal for our summer tennis camp is for students to develop improved tennis skills, new friendships, and a love for the sport. No matter your level, abilities, or age, each camper is sure to have a great tennis experience!
