“Taking Care of Yourself and Your Friends” presentation

Stress Management, Coping Skills, Knowing your limits as a friend,
Options in Emergencies

Stress Management

Tools or techniques used to help you handle difficult emotions & manage stress. Which ones will you use?

Take a Deep Breath

Talk to someone

Listen to music

Create!
Draw, color,
bake, build!

Stay
CONNECTED!

Show gratitude
by doing
something nice
for others!

Get a drink of
water and get
your heart rate
up.

Use positive
self-talk.
