Dear P-H-M Families,

At Penn-Harris-Madison, excellence isn't something we pursue for a single moment or celebrate only at the end of the year. It is who we are and the culture we strengthen every day. For 63 years, we have built a community that puts students and their futures at the heart of everything we do. We are committed to continuous improvement and creating even more opportunities for every student to learn, grow, and succeed. Every year, we strive to do more and go above and beyond. This is what it means to Build on a Culture of Excellence.

For the 2026-2027 school year, we are focused on increasing student growth beginning with early literacy and expanding student opportunities through a variety of graduation pathways. Whether your child is beginning kindergarten, entering middle school, preparing for graduation, or somewhere in between, thank you for trusting us with their education. Together, we are building on a culture where every student is known, challenged, supported, and encouraged to achieve their very best. Above all, we want every child to feel welcomed, valued, and connected because we know students thrive when they know they belong.

Our commitment to excellence is reflected in outstanding results on IREAD, ILEARN, SAT, and AP exams, as well as exceptional opportunities in athletics, fine arts, career and technical education, and extracurricular activities. Our goal is to equip every student for success in whatever path they choose.

Launching lifelong success begins with helping our youngest learners become strong readers. From elementary through high school, we nurture curiosity, build confidence, and challenge students to discover their passions and reach their full potential. As students grow, so do the opportunities available to them. At Penn High School, students can pursue pathways leading to college, skilled trades, military service, apprenticeships, and careers, ensuring every graduate is ready for what's next.

These opportunities are possible because we are committed to being responsible stewards of the resources entrusted to us. By aligning financial decisions with student success, maintaining long-term fiscal stability, and continuing to provide one of the lowest tax rates in our region, we invest wisely while preserving the excellence our community expects.

Our success is also strengthened by the remarkable support of the P-H-M Education Foundation and countless community partners who invest in our students, teachers, and schools. Their generosity helps provide innovative classroom experiences, grants for educators, and opportunities that enrich learning beyond what traditional funding alone can provide.

Excellence is never achieved by one person or one program. It is the result of students who work hard, dedicated teachers and staff who inspire every day, supportive families who partner with us, and a community that believes in the power of public education. Together, we will continue building on the strong foundation that has defined Penn-Harris-Madison for generations while equipping today's students to become tomorrow's leaders.

I hope this activities calendar helps your family stay informed and connected throughout the school year. Thank you for being an important part of the P-H-M family. I wish you a wonderful and successful 2026-2027 school year!

With Appreciation,

Dr. Heather Short
Superintendent of School

INDIANA'S NEW LAW

BELL TO BELL: WIRELESS COMMUNICATION DEVICES

P-H-M is following Indiana state law

BELL TO BELL

Devices must be inaccessible from the first bell to the last bell each day.

THE LAW

Indiana Senate Enrolled Act 78 (SEA 78) requires that personal wireless communication devices are stored away, powered off, and inaccessible to students throughout the school day.

- ✓ Applies to all P-H-M schools (elementary, middle & high)
- ✓ Includes the entire school day, from the first bell to the last bell
- ✓ Helps reduce distractions and supports students learning and well-being

DEVICES COVERED BY THE LAW

The law includes, but is not limited to:

 Cell Phones
 Smartwatches (connected to the internet or cellular)
 Wireless Earbuds/Headphones
 Personal Tablets
 Personal Laptops

 Gaming Devices
 Smart Glasses
 Other personal wireless communication devices capable of voice, text, internet or data transmission

DISCIPLINE

Student discipline will follow Student Code of Conduct and will emphasize education, consistency, and progressive accountability.

THE GOAL:

Support student learning by reducing distractions and encouraging responsible technology use.
